

Santorini & Oia

Privilege Location - Oia

The Atlantida villas traditional hotel is located in the amazing region of Oia.

Standing from the cliff, the hotel is overlooking the mystical caldera and opposite the volcano.

The hotel complex offers various types of double rooms, suites, villas and apartments.

All units have private balcony or terrace and are built such a way that overlooking

the cliffs of Santorini and the beautiful astounding sunset, aiming to satisfying

all types of visitors, even the most demanding.

Atlantida villas hotel, words are not enough to explain the uniqueness of the hotel's location.

From the exterior area of the hotel in Oia visitors can have the view of the south

part of the Santorini island - caldera and the volcano of Santorini - and from the

north part of the island - view of the Ios island -.

At the traditional hotel complex architecture blends past with present in a free form

fantasy of stairs, bridges, antiques and minimal objet d'art.
